

Bird Island Trail and Restroom Closure

The Bird Island Trail and Restroom will be closed for repairs and upgrades. Work will begin in November of 2010. The restroom upgrade will be completed by February 2011, and the trail work will be finished by late 2011. Both the trail and restroom are receiving upgrades to comply with ADA standards in order to become accessible to all users.

Bird Island Trail Upgrade Plan

The new ADA-compliant restroom building will feature 1 standard and 1 accessible restroom stall. It will be completed by February of 2011.
